

ACAAM 2021 Strategic Priorities

Finance & Administration

ACAAM will create systems and processes to increase efficiencies and align with best practices.

Membership & Engagement

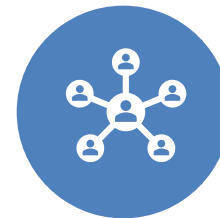

ACAAM will foster networking, communication, engagement and interaction in our membership and among our professional communities.

Education

ACAAM will create products and programs to meet the needs of the academic addiction medicine field.

Workforce / Academic Development

ACAAM will deliver technical support and training for fellowship programs and fellows.

External Relations

ACAAM will foster and build relationships with organizations within addiction and academic medicine, federal agencies, etc.
